To whom it may concern:

1. In response to the denial, I was somewhat confused due to the geographical location stated as one of the reasons, however, after reviewing the application it was an error on my behalf on that basis, my intention was and still is to provide services solely within Lehigh County.

2. Since having applied, I've purchased two additional vehicles in order to facilitate this task. Also included are verification of this transaction, 2023 taxes, copies of EIDL and PPP loans in the amount of \$ 235.000 dollars paid in full within 2.5 years not the 30 years stipulated, and other documentation that needs consideration to grant approval.

3. In addition, I have over 20 years in transporting patients from behavioral, quadriplegic, covid etc. On the financial basis by the permission of God were equipped to ensure

compensation and provide stability to all employee's while
assisting in the growth of the community. I look forward to
being a part of the economic enrichment of this state.
