**NOTICE OF PROPOSED WASTEWATER ACQUISITION AND RATE BASE ADDITION** (Docket No. A-2025-3052983)

Dear Customer:

On \_\_\_\_\_, the Pennsylvania Public Utility Commission (“PUC”) conditionally accepted for filing the application of Pennsylvania-American Water Co. (“Pennsylvania-American” or “PAWC”) for approval to acquire the wastewater system assets owned and operated by Elizabeth Borough Municipal Authority (“EBMA”). EBMA serves approximately 2,200 customers in Allegheny, County. Pennsylvania-American’s application also requests that the PUC authorize an addition of \$28.0 million to Pennsylvania-American’s rate base pursuant to 66 Pa. C.S. § 1329. A utility’s rate base is the value of property used by the utility to provide service to its customers and is one of many components used to establish customer rates.

PAWC periodically makes applications to the PUC for newly acquired systems which requires PAWC to send these types of notices. This notice is specific to the EBMA acquisition. PAWC is not requesting a rate increase in this acquisition proceeding. Accordingly, this acquisition will not immediately, but may in the future, affect water and/or wastewater bills of Pennsylvania-American customers, including new EBMA wastewater customers. Your current rates will not change as a result of this acquisition until the conclusion of Pennsylvania-American’s first base rate case where Pennsylvania-American requests and receives PUC approval to increase its rates. At that time, based on a preliminary analysis of the potential rate impacts, PAWC estimates that the rates of the average customer could increase. The amount of the increase will be determined in PAWC’s next base rate case and will be dependent on how the PUC chooses to apportion the increase among PAWC’s acquired and existing customers. The tables below present non-binding, estimated incremental rate effects of the proposed rate base addition on PAWC’s existing water and wastewater customers.

<b>Water Rate Class</b>	<b>Average Usage</b>	<b>Estimated Monthly Increase</b>	<b>Estimated Percentage Increase</b>
Residential	3,201 gallons/month	\$0.16	0.2%
Commercial	22,094 gallons/month	\$0.84	0.2%
Industrial	685,947 gallons/month	\$17.73	0.2%

<b>WW Rate Class</b>	<b>Average Usage</b>	<b>Estimated Monthly Increase</b>	<b>Estimated Percentage Increase</b>
Residential	3,201 gallons/month	\$1.21	1.1%
Commercial	22,094 gallons/month	\$5.75	1.1%
Industrial	685,947 gallons/month	\$166.30	1.1%

These amounts could change and will depend on how the PUC chooses to apportion any increase among different types of utility service, rate zones and classes of customers. For Pennsylvania-American customers in a rate zone other than Rate Zone 1, the potential rate impact could vary from the chart above.

## PUC ROLE

The state agency that approves acquisitions and rates for regulated public utilities is the PUC. The PUC will review and investigate the proposed acquisition. After examining the evidence, the PUC may approve, modify or deny the acquisition and may approve, modify or deny the requested addition to rate base.
