NOTICE OF SUSPENSION OF PUC HHG OPERATING AUTHORITY
Effective January 21, 2025
Due to Cancellation of your Tristate Tariff

As of 01/21/2025, your PUC operating authority is **SUSPENDED** due to your failure to maintain an acceptable tariff on file with this Commission. Tristate HHG Tariff Conference Inc. notified the Commission about outstanding dues for 2024. Your tariff at the Commission has been cancelled. **You may not operate while under suspension.** Operating while under suspension is subject to prosecution, which may result in cancellation of your authority.

Please submit a new tariff to RA-PCTARIFFFILING@pa.gov today.
Or, if you are no longer in business, notify the Commission in writing.

Unless respondent contacts the Commission with a filing of a tariff or with a request to abandon business within twenty (20) days of the date of service of this notice, the Bureau of Technical Utility Services will request that the Commission revoke the Certificate of Public Convenience.

You are to check your authority status at the Commission online at its web site. www.puc.pa.gov/search/utility-authority-search/. A utility search can then be completed by clicking "Add Additional Search Criteria" to search by other criteria. Once the search results populate, click on the utility code that corresponds to your authority. Note: there are tabs you can click in order to view your utility info, authority, and insurance.

If you believe that you have received this Notice of Suspension in error or if you have any questions regarding the suspension of your authority, please contact the Bureau of Technical Utility Services - Compliance Office Supervisor, Tatjana Roth, at 717-787-1168.

Sincerely,
