**AMENDED PROTEST OF THE
OFFICE OF SMALL BUSINESS ADVOCATE**

The Office of Small Business Advocate (“OSBA”) files this Protest with respect to the above-captioned Joint Application to the Pennsylvania Utility Commission (“PUC” or “Commission”) on December 31, 2024, by Pennsylvania-American Water Company (“PAWC”) and Corner Water Supply and Service Corporation (“Corner”) for approval of: (1) the transfer to PAWC, by sale, of all property of Corner used and useful in the public service; (2) the right of PAWC to begin to offer, render, furnish and supply water service to the public in portions of Elk and Paint Townships in Clarion County, Pennsylvania, and (3) the abandonment by Corner of all water service. Furthermore, PAWC requests approval to make effective upon closing a pro forma tariff. In support of this Protest, the OSBA avers as follows:

1. The OSBA is an agency of the Commonwealth of Pennsylvania authorized by the Small Business Advocate Act (Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50) to represent the interests of small business consumers as a party in proceedings before the Commission.

2. Representing the OSBA in these proceedings is:

Rebecca Lyttle, Esq.
Assistant Small Business Advocate
Office of Small Business Advocate
Forum Place
555 Walnut Street, 1st Floor
Harrisburg, Pennsylvania 17101
relyttle@pa.gov

3. Pennsylvania American Water Company is a regulated public utility corporation duly organized and existing under the laws of the Commonwealth of Pennsylvania, and is engaged in the business of collecting, treating, storing, supplying, distributing, and selling water to the public, and collecting, treating, transporting, and disposing of wastewater for the public.

4. Corner Water is a regulated public utility corporation since December 2, 1960, organized and existing under the laws of the Commonwealth of Pennsylvania engaged in treating, storing, supplying, distributing, and providing water service to approximately, 605 customers of which 355 are residential, 83 are commercial, 5 are industrial, 2 are public fire service, and 160 are “other” (customers in two mobile home park communities) within portions of Elk and Paint Townships, Clarion County.

5. On September 25, 2024, Corner and PAWC entered into an agreement, to sell most of the assets, properties, and rights of Corner Water’s System to PAWC.

6. Corner’s customers are already being served by PAWC as their wastewater provider in the Paint-Elk Sewer system.

7. The Public Utility Code, 66 Pa. C.S. § 1102(a), permits a public utility to undertake certain actions only upon Commission approval evidenced by a certificate of public convenience. Among the activities that require Commission approval is the following:

(3) For any public utility or an affiliated interest of a public utility . . . to acquire from, or to transfer to, any person or corporation . . . by any method or device whatsoever, including the sale or transfer of stock and including a consolidation, merger, sale or lease, the title to, or the possession or use of, any tangible or intangible property used or useful in the public service.

Pa. C.S. § 1102(a)(3).

8. When a certificate of public convenience is required under Section 1102, Section 1103(a) of the Public Utility Code, 66 Pa. C.S. § 1103(a), allows the Commission to issue the certificate only upon a finding or determination that the granting of such certificate is “necessary or proper for the service, accommodation, convenience, or safety of the public.” According to the Pennsylvania Supreme Court, satisfying this standard requires the Commission to find that a proposed acquisition would “affirmatively promote the ‘service, accommodation, convenience, or safety of the public’ in some substantial way.” *City of York v. Pennsylvania Public Utility Commission*, 449 Pa. 136, 141, 295 A.2d 825, 828 (Pa. 1972). In addition, Section 1103(a) allows the Commission to impose upon its issuance of a certificate of public convenience “such conditions as it may deem to be just and reasonable”.

9. The Joint Application raises issues of concern that may require the Commission to reject the proposed transaction or to approve it only after imposing conditions. Of particular concern is whether the transaction would unreasonably increase water rates of Corner’s small business customers.

10. The OSBA reserves the right to raise additional issues as they arise throughout this proceeding.

WHEREFORE, the OSBA respectfully requests that the Commission reject the Joint Application as filed.

In the alternative, the OSBA respectfully requests that the Commission conduct a full investigation, including evidentiary hearings, into the joint Application.

Respectfully submitted,

/s/ Rebecca Lyttle
