2. List the applicant's affiliation (owner, manager, controls) with any other carrier, with the description of affiliation.

None

3. Please provide evidence of minimum of two-years' experience with a licensed household goods carrier or the equivalent as required by 52 Pa. Code §3.381(c)(1)(iii)(A)(II)(-I-).

Our team has been conducting uncompensated moves for approximately 8 years. In this time, we have acquired the necessary skills and experience to properly move, load, secure, and transport household goods. In addition to this experience, I have held a Medical Examiner's Certificate for several years and am comfortable driving large commercial vehicles.

4. Describe your facilities, record maintenance plan and your communication network. Please include a description of your physical location, to including office machines that will be utilized, and the facility to house vehicles. As a carrier of household goods in use, applicant should include a description of storage facilities, if applicable. Please include an explanation of your plan to maintain records required by the PUC, as well as normal business records. In regard to your communication network, please explain how you will receive customer requests for transportation, how you will dispatch the vehicles to fulfill the request, and how you will maintain continuous communication with your drivers.

Our current physical location is our home. We have an at home office which includes several computers, a printer, and fireproof filing cabinets that are used to maintain records. In addition to filing cabinets for paper copies we utilize external hard drives to ensure all documentation is backed up digitally. We have a large garage that we use to house vehicles and all other moving equipment. We are available for customer request by phone, email, and various other forms of digital advertisement. Our team has a combined network that keeps a constant line of communication. Everyone has a reliable cell phone, and that will be the primary means of dispatching vehicles as well as maintaining communication.

5. Please state the number of drivers you intend to use or hire in your business and explain why that number of drivers is appropriate for the size of the territory you will be serving. In addition, please explain:
 - a. Your hiring standards for drivers;
 - b. Your system for conducting criminal background checks;
 - c. Your driver training program;
 - d. Your system for conducting driver license checks;
 - e. Your policies regarding alcohol and drug use by your drivers.

Initially we plan to keep our team relatively small, utilizing only one crew at a time. Therefore, we will have two trained drivers. That way regardless of the job we can always have a primary driver and a secondary.

- a. All drivers will need to have a clean driving record as well as verifiable proof that they are familiar operating a motor vehicle of a similar caliber to the ones we will be using.
- b. Online background checks will be used on an as needed basis.
- c. Our driver training program will include a brief defensive driving presentation as well as in field practice. Any new drivers will shadow experienced team members until all parties are comfortable sending them as the primary driver.
- d. Online driver's license checks will be used on an as needed basis.
- e. We will maintain a zero tolerance policy for drugs and alcohol when operating a motor vehicle.

6. Please state the number of vehicles you plan to use in your business and why that number is appropriate to provide reasonable and efficient service to the territory you will be serving. If you have already obtained vehicles for your business, please list them in the chart below.

YEAR	MAKE	MODEL	SEATING CAPACITY*	VEHICLE ID #	MILEAGE
Initially, we will be utilizing one large box truck. We plan to utilize one crew at a time, so one truck is sufficient. A large truck can service all the jobs we may encounter whether they are large or small. We have not yet obtained any vehicles.					

7. Describe your vehicle safety program. Please include the following in your explanation:
 - a. Your periodic vehicle maintenance plan
 - b. Your system for ensuring your vehicles will continuously comply with applicable Pennsylvania vehicle equipment standards (67 Pa. Code, Chapter 175).

Part of our vehicle maintenance plan includes a pre-trip inspection by the driver prior to each trip. This inspection will help the team become extremely familiar with the vehicle and recognize any changes that may require attention. In addition to the pre-trip inspection our vehicles will always be up to date with state mandated inspections.

8. Please explain what steps you have taken to determine if you can obtain insurance and pay the required insurance premiums.

I have called around to multiple insurance companies and have received quotes for policies that meet the required insurance premiums.

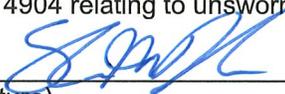

9. State whether the applicant has been convicted of a misdemeanor or felony. If applicant is partnership, limited liability partnership, corporation, or limited liability company this question applies to all members, officers, and/or shareholders. If "YES", explain.
