CRP Implementation Timeline – January 2025 Status Report

PGW USECP 2023-2027, Docket No. M-2021-3029323

Pursuant to the Commission’s March 16, 2023 Order on Reconsideration, Ordering Para. 2,  
And the Commission’s April 25, 2024 Order, Ordering Para. 10

<b>Requirement</b>	<b>Status</b>	<b>Current Projected Implementation Date</b>
Expanding the CRP recertification timeframe for non-LIHEAP participants from every one year to every two years.	Pursuant to the Commission’s Order entered April 25, 2024, PGW has suspended CRP recertifications until its new Customer Information System (CIS) has been implemented. PGW will adopt a staggered schedule to restart CRP recertifications after implementation of the new CIS and will implement the revised recertification timeframe for non-LIHEAP participants at that time.	On January 10, 2025, PGW filed a Petition to Modify the April 25, 2024 Order which proposes a process and timeline to restart CRP recertifications. This Petition is currently pending.
