Request for Information

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because you have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.

- 1.) DO NOT SUBMIT A 30 PAGE DOCUMENT with answers to the questions potentially buried within them. Number the specific answers to questions on the Verified Statements and provide PA Code 52 compliant answers in a clear and concise manner. Note that a great deal of the material provided was referring to call or demand and limousine services that are entirely separate from the services that can be provided by a paratransit applicant.
- 2.) Please fully explain the reference to the vehicles being owned by another company, Helping Others To Live, Inc, A-6425785, and why that reference is contained in documents submitted for N2G Medical Transportation LLC. Is there an overlap of ownership of the two companies? Are the companies related? Provide full details. Note that a Certificate of Public Convenience can only be granted to a company that owns and insures its own vehicles with the policy in their own company name.
- 3.) Please resubmit your answers to the verified statements, and include a vehicle list with all data in the table on the application provided, and submit a dated statement of financial position to establish financial fitness to operate a business. Note that failure to provide sufficient answers to the questions asked will be grounds for outright denial of the application.
