

Docket C-2024-3050153 Dontissa Wilmer vs PECO

Good afternoon Judge Guhl,

This is a letter to The Courts concerning Docket C-2024-3050153. I want to inform Judge Guhl that on Tuesday January 28, 2025 I discovered that Peco has once again without authorization has place black tape on the power lines on my property. Where the black tape was placed, there was no tape there before. In my Formal filing Compliant with the PUC I submitted Exhibits 19-29 which are photos of the tampered electrical power lines and the black tape that was placed on the lines. I stated that it appears to be unknown objects underneath the two sections where the black tape was placed. I don't know if I can send additional photos showing where the new black tape was placed. But I do have several photos that were taken on Tuesday January 28, 2025 of the power lines on my property. and you can see where the black tape was added. If you have any questions please contact me by email.

Thank you,  
Dontissa Wilmer
