Re: Natural Gas Supplier License Amendment of Woodruff Energy US LLC

Dear Mr. Woodruff, Jr.:

On October 31, 2024, Woodruff Energy US LLC (Woodruff Energy) filed a request with the Pennsylvania Public Utility Commission (Commission) to add small commercial (less than 6,000 MCF annually) customers and the Columbia Gas of Pennsylvania, Inc. service territory to its existing license to provide natural gas services as a supplier.

Currently, Woodruff Energy is licensed as a supplier to provide natural gas services to large commercial (6,000 MCF or more annually) and industrial customers in the natural gas distribution company service territories of PECO Energy Company, Philadelphia Gas Works, and UGI Utilities, Inc., within the Commonwealth of Pennsylvania.

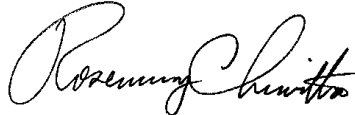

Woodruff Energy has provided documentation to evidence its compliance with the Section 2208(c) bonding requirement for the requested additional natural gas distribution company service territory. Furthermore, Woodruff Energy has provided proof of service to the interested parties and proof of publication in appropriate newspapers as required by the Commission. No protests were filed.

Therefore, the Commission approves, by this Secretarial Letter, the proposed amendment which adds small commercial (less than 6,000 MCF annually) customers and the Columbia Gas of Pennsylvania, Inc. service territory to its current license.

**The Secretary's Bureau will issue a new license to Woodruff Energy US LLC giving them the right to begin to offer, render, furnish, or supply natural gas services as a supplier to small commercial (less than 6,000 MCF annually), large commercial (6,000 MCF or more annually), and industrial customers in the natural gas distribution company service territories of Columbia Gas of Pennsylvania, Inc., PECO Energy Company, Philadelphia Gas Works, and UGI Utilities, Inc., within the Commonwealth of Pennsylvania.**
