RE: I&E 529 Investigation into the Acquisition of Rock Spring Water Company, Docket no.  
P-2024-3051313

Dear Secretary Chiavetta:

Rock Spring Water Company is highly recommending appointing the appropriate receivership to State College Borough Water Authority.

As Rock Spring Water Company resides in the small town of Pennsylvania Furnace and was started for the farm families into providing good quality and flowing water. It is our mission to make sure our customers are our first priority.

It's very crucial that this transfer be a respectful and appropriate move from one business SCBWA to another RSWC. Especially for the old/new employees and the customers. RSWC feels our past and current work relationship with SCBWA is good and would like to pursue the same for the future. SCBWA has been accommodating in the past in most of our calls for any assistances and questions. RSWC is only several miles from the SCBWA main office location.

A transition period of a year should be highly considered with State College Bough Water Authority and Rock Spring Water Company to transfer information and questions that may arise in the future.

With the above being mentioned please consider appointing SCBWA as the authority to ultimately buy RSWC.

Sincerely,
