PUBLIC NOTICE

GAS RATES

Pike County Light and Power Company, Inc. is filing a request with the Pennsylvania Public Utility Commission (PUC) to increase your gas rates as of October 1, 2025. The Company has requested an overall rate increase of \$905,900 per year. If the company's entire request is approved, the total customer bill would increase as follows:

- Residential heating customers using 80 CCF would increase from \$135.78 to \$196.08 per month, or by 44.4% including estimated gas costs.

- Residential non-heating customers using 50 CCF would increase from \$87.86 to \$126.11 per month, or by 43.5% including estimated gas costs.

- General Service Commercial customers using 623 CCF per month would increase from \$871.40 to \$934.43 per month or by 7.2% including estimated gas costs and sales tax.

- Commercial Space Heating customers using 250 CCF per month would increase from \$377.12 per month to \$405.94 per month or by 7.6% including estimated gas costs and sales tax.

The company has requested the rate increase because it has incurred and will realize increased operating expenses since its last rate change in 2021. These expenses include the financing of investments in new and replacement infrastructure, as well as increased operating costs due to normal operating conditions and other regulatory demands to meet customer service and reliability requirements. Customers can contact the company at (855) 855-2050 to get further information on the proposed increases, or to find out what action they may take.
