Re: **Duquesne Light Company – Notice of Filing in Compliance with the November 7, 2024 Order, Docket Number R-2024-3046523**

Dear Secretary Chiavetta:

Pursuant to the November 7, 2024 Order, adopted by the Pennsylvania Public Utility Commission (PUC) at Docket Number R-2024-3046523, and in compliance with Paragraph 52 of the settlement in the above-captioned proceeding, Duquesne Light Company (DLC) herein is submitting this Notice of Filing within 120 days of the final order, as required. This filing pertains to the automatic recertification of Customer Assistance Program (CAP) participants based on LIHEAP data received from the Pennsylvania Department of Human Services (DHS).

DLC is committed to fulfilling this requirement. In alignment with the updated guidance issued on December 18, 2024, by Brian Whorl, Director of the DHS Division of Federal Programs and Program Management, DLC will implement procedures to use DHS data for the automatic recertification of CAP participants after it receives a recommendation from DHS that its data sharing reports can be used, and the company concurs with this recommendation by validating the reliability and integrity of DHS's data. This approach will assure DLC maintains the integrity of its CAP by relying upon accurate and current data that facilitates CAP program determinations.

Please contact me at (412) 935-2524 or by email at [rscott@duqlight.com](mailto:rscott@duqlight.com) if you have any questions concerning this correspondence.

Sincerely,
