**Re: FirstEnergy Pennsylvania Electric Company
Docket Nos. R-2024-3047068, et al. - Informational Refund
filing**

Dear Secretary Chiavetta:

In its Case No. R-2024-3047068, et al. distribution base rate filing submitted on April 2, 2024, FirstEnergy Pennsylvania Electric Company (“FE PA” or “Company”) included a proposal to refund \$13,596,184 to customers due to certain costs from its prior distribution base rate case that were improperly classified, misallocated, or lacked proper supporting documentation. The Company proposed to issue a one-time fixed bill credit to customers during January 2025 to refund the amount.

On December 5, 2024, the Company filed the proposed credits to be paid to each rate schedule, as well as how the credits were calculated. The filing presented that the previously mentioned refund of 13,596,184 was increased to \$14,460,121, grossed up for 5.9% Gross Receipts Tax. The Company’s December 5, 2024 filing was approved by the Commission’s Secretary letter on December 31, 2024.

Following the distribution of the one-time refunds, the Company committed to submitting an informational filing to the Commission that reported the actual refunds distributed to customers. Accordingly, the Company reports that Attachment A hereto shows the actual credits provided to each customer class that total \$14,919,685, which is slightly greater than the targeted design credits of \$14,460,121.

If you have any questions regarding the enclosed documents, please contact me.

Sincerely,

Joanne M. Savage
