RE: PECO Energy Company – Electric
Generation Supply Adjustment
Effective March 1, 2025
M-2025-3052928

Dear Mr. Webster:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 1 to Tariff Electric – Pa. P.U.C. No. 8 and the supporting rate computations submitted on January 15, 2025 to become effective on March 1, 2025.

Based upon staff review, it appears that the proposed Generation Supply Adjustment (GSA) rates for the three-month period of March 1, 2025 through May 31, 2025 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The GSA is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3052928.

Sincerely,

Rosemary Chiavetta
Secretary
