RE: Petition of Buck Hill Water Company for a Time Extension to Submit a Lead Service Line Replacement Program at Docket No. P-2025-3053570

Dear Attorney Nase:

On January 23, 2025, the Pennsylvania Public Utility Commission (Commission) served notice to Buck Hill Water Company (Buck Hill) that the Commission did not receive a lead service line replacement (LSLR) program petition from your client by the required deadline. Pursuant to 52 Pa. Code § 65.55(a), a Class B public utility, Class C public utility or municipal corporation was required to file a LSLR program petition by July 22, 2024. The Commission subsequently received your letter dated February 24, 2025, that requested a 30-day extension for Buck Hill to file its LSLR program. Please be advised your request is hereby granted, and Buck Hill's LSLR program petition is now due by March 26, 2025.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition for reconsideration of the actions of staff with the Commission within 20 days of the date this letter is served. Should you have any questions, please contact Matthew T. Lamb, P.E. in the Bureau of Technical Utility Services via email at mlamb@pa.gov or telephone at (717) 783-1001.

Sincerely,

Rosemary Chiavetta
Secretary
