Re: Notice of Intent to Abandon Natural Gas Supplier License for NextEra Energy Services
Pennsylvania, LLC - Docket No. A-2015-2466836

Dear Secretary Chiavetta:

Pursuant to Pennsylvania Code Title 52 §62.112, please accept this letter as the request of NextEra Energy Services Pennsylvania, LLC (“NextEra”) to abandon its natural gas supplier (“NGS”) license approved by Commission Order entered August 20, 2015, at the above-referenced docket. In support of this request, NextEra submits the following information.

- NextEra has not and does not currently serve any natural gas customers in Pennsylvania.
- Attached hereto as Appendix A is NextEra’s Account Statement from the Pennsylvania Department of Revenue. NextEra Energy Services Pennsylvania, LLC will still be doing business in Pennsylvania and will continue to sell Electricity in Pennsylvania, so we cannot file the application for a tax clearance certificate.
- There are no open informal or formal natural gas complaints pending against NextEra in Pennsylvania.
- NextEra is in compliance with all Pennsylvania Public Utility Commission annual fees and assessments, see Appendix B.

Attached is a signed verification attesting to the accuracy of the facts stated herein. Also attached is a certificate of service confirming that a copy of this filing has been served on the five statutory agencies and all natural gas distribution companies in whose territories NextEra is licensed to operate.

Should you have any questions or concerns please do not hesitate to contact me at Dana.Coulter@nee.com or 832-633-0079.

Respectfully submitted,

Dana Coulter
