**RE: Interim Distribution System Improvement Charge
Effective March 13, 2025
P-2024-3048732**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's proposed Supplement No. 390 to Tariff Electric – Pa. P.U.C. No. 201 and the supporting rate computations submitted on March 3, 2025 to become effective on March 13, 2025.

Based upon staff review, it appears that the proposed interim Distribution System Improvement Charge (DSIC) rate for the period of March 13, 2025 through March 31, 2025 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. P-2024-3048732.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', is written over a light blue circular background.

Rosemary Chiavetta
Secretary
