RE: Petition of Borough of Ambler Water For Approval of its Long-Term Infrastructure Improvement Plan; P-2023-3041666

Dear Secretary Chiavetta:

On March 4, 2025, the Borough of Amber filed a letter at the above-captioned docket regarding the 52 Pa. Code § 121.6 requirement to file an Annual Asset Optimization Plan ("AOP"). The Borough requested that the Pennsylvania Public Utility Commission ("Commission"), pursuant to 52 Pa. Code § 5.43, waive this filing requirement through March of 2026.

Following a discussion with Commission staff, the Borough hereby amends the prior letter to respectfully request a more limited 60-day extension of this year's AOP filing deadline through April 30, 2025. The Borough is working with experienced consultants to finalize a compliant filing by the requested extension date.

Sincerely,
