**RE: Newtown Artesian Water Company, Inc.
Petition for Approval of Lead Service Line Replacement Program
Docket No. P-2023-3041859**

Dear Secretary Chiavetta:

Please be advised that I am general counsel to Newtown Artesian Water Company, Inc. (“NAWC”). By order dated December 16, 2024, Administrative Law Judge Brady directed that I status reports be filed in the above-referenced matter every thirty (30) days. The initial report was filed on December 20, 2024. The second status report was filed on January 22, 2025. Please accept this letter as the next report.

The January 22, 2025, status report indicated that the Office of Consumer Advocate (“OCA”) was in general agreement with NAWC’s draft Petition, Lead Service Line Replacement Plan, and Tariff Supplement. By email message dated January 23, 2025, Harrison Breitman, Esq., confirmed that OCA and NAWC are in agreement in principle.

Steven C. Gray, Esq., counsel for the Office of Small Business Advocate (“OSBA”) did not comment on the drafts. To my knowledge, neither I&E nor OSBA objects to the matter being resolved via settlement. At present, I am drafting the Joint Petition and all related documents for all parties’ review. If you have any questions or require any information relating to this matter, please feel free to contact me.

Very truly yours,

Thomas J. Walsh III
