County Land Use Letter
PECO Conowingo 220-47 Line Project
Plymouth & Upper Merion Townships, Montgomery County

Dear Ms. Chiavetta:

We have received a letter regarding PECO's intent to replace 14 line supports with 19 steel monopoles on an existing utility right-of-way in Plymouth & Upper Merion Townships. The Montgomery County Comprehensive Plan (adopted January 15, 2015) generally supports this type of work. However, with the new monopoles being taller than the existing structures, there is concern for visual impacts. With this being the case, PECO should work to minimize these visual impacts.

In an effort to be more sustainable and respond more efficiently, we have moved this process to an electronic format. In case any issues may arise, we will be storing all correspondence electronically for at least a month after sending our response.

Sincerely,

A handwritten signature in black ink that reads 'Ryan Lamberti'.
