**RE: Act 127 Registration Pipeline Name Correction**

Energy Developments, Inc. is respectfully submitting this letter requesting a correction to the name in which it's registered with the Pennsylvania Public Utility Commission (PAPUC), specifically regarding Act 127.

Energy Departments, Inc. is currently registered as EDL Energy, which is a DBA and not a legal entity. The name registered with the Department of State is the legal entity name and should have been the one registered with PAPUC initially. Energy Developments, Inc. wishes to utilize the name registered with the Department of State. The EIN number will remain the same.
