Re: Docket No.: C-2025-3051908  
Precision Transport, LLC

Chief Brian B. Mehus,

I am writing in response to a complaint received today in reference to Docket No. C-2025-3051908 and the revocation of the certificate of public convenience for Precision Transport LLC.

First, let me apologize for not responding to your attempts to reach us. Any voicemail left at our office was not received by me. Second, there is always confusion as to our office location. While we are located at 200 Airside Drive, Suite 260 is actually located on the 3<sup>rd</sup> Floor. In addition, our parent company is Bridgeway so there is no indication that Precision is on the 3<sup>rd</sup> Floor.

My direct contact information is:

Office: 412-490-6039

Mobile: 724-312-5846

Email: [awguiffre@bridgeway.io](mailto:awguiffre@bridgeway.io)

I would like the opportunity to avoid our certificate being revoked and can complete the safety audit at your convenience.

Sincerely,

Anthony W. Guiffre  
VP Safety
