Re: Application of The Gateway Engineers, Inc. to Register as a Utility Valuation Expert at
Docket No. A-2025-3053616

Dear Mr. Jesso:

On February 21, 2025, The Gateway Engineers, Inc. (Applicant) filed an application to register as a utility valuation expert (UVE) with the Pennsylvania Public Utility Commission (Commission). UVEs are retained by entities for the valuation of municipal water and wastewater systems under Section 1329 of the Public Utility Code, 66 Pa.C.S. § 1329, whereupon UVEs shall determine fair market value in compliance with the Uniform Standards of Professional Appraisal Practice, employing the cost, market and income approaches.

Upon review of the application, it appears the Applicant meets the Commission's minimum qualifications to register as a UVE. Therefore, effective from the date of this Secretarial Letter, the Applicant is registered as a UVE on the Commission's Registry of UVEs. **This registration is valid until December 31, 2025. UVEs must re-register by January 1 of each year thereafter to remain on the registry. In addition, the Applicant is advised that if any information in the application changes, it must provide a written notice of said change to the Commission within 45 days of the change.** This approval is not meant to constitute a license, certification or warranty of any kind by the Commission.

Questions concerning this letter may be directed to Susan Johnson of the Bureau of Technical Utility Services, Water/Wastewater Section, at telephone number (717) 783-5946 or by email at suejohnso@pa.gov.

Sincerely,

Rosemary Chiavetta
