Re: Aqua Pennsylvania, Inc.'s Original Tariff Supplement to Tariff Water – Pa. P.U.C. 4
and Aqua Pennsylvania Wastewater, Inc.'s Original Tariff Supplement to Tariff Sewer –
Pa. P.U.C. No. 4; Compliance Filing

Dear Ms. Feeney:

On February 18, 2025, Aqua Pennsylvania, Inc. and Aqua Pennsylvania Wastewater, Inc. (Aqua PA) filed Original Tariff Supplement to Tariff Water - Pa. P.U.C. No. 4 and Original Tariff Supplement to Tariff Sewer - Pa. P.U.C. No. 4 (the Aqua Supplements) to become effective on February 22, 2025. The Aqua Supplements were filed in compliance with the Commission's Opinion and Order entered February 7, 2025 at Docket Nos. R-2024-3047822 *et al.*, and authorizes Aqua PA to allow increases in rates for water and wastewater services with revenues that do not exceed \$58.4 million and \$14.6 million, respectively. Aqua PA re-filed pages due to minor formatting and language corrections at the behest of Commission staff.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the Aqua Supplements are effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Vanessa Johns, Bureau of Technical Utility Services, at (717) 214-9114 or vanjohns@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary
