RE: Initial Surety Bond
Bucks County Transport Inc.
A-00107294

Dear Mr. Raymond:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Bucks County Transport Inc. because it is not acceptable.

The Commission requires a broker of passengers or broker of household goods to file a current and active original bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a broker's licensing requirements under Section 39.15 of the Pennsylvania Public Utility Code.

The previously filed Surety Bond Continuation that we returned on March 6, 2025, requires an original ink signature and seal for the surety company only. The replacement that we received on March 20, 2025, is a new initial Surety Bond, which requires an original ink signature for the principal as well as an original ink signature and seal for the surety company. As the new financial instrument does not have a "wet ink" original signature of the principal, it is being returned to you under cover of this letter. Please file the original financial instrument with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.

Rosemary Chiavetta
Secretary of the Commission
