RE: Response to Tentative Order – Docket No. M-2025-3052810
Inova Energy LLC – License No. A-2021-3025116

Dear Secretary Chiavetta,

I am writing in response to the Tentative Order issued on March 27, 2025, under Docket No. M-2025-3052810, regarding the proposed cancellation of Inova Energy LLC's Electric Generation Supplier (EGS) license.

Upon review, it was determined that the issue stemmed from two missing Gross Receipts Quarterly Reports for **Q4 2023** and **Q4 2024**. I would like to respectfully inform the Commission that both reports were previously mailed to the Commission. However, in the interest of resolving this matter promptly and ensuring compliance, I resubmitted both reports. Both reports were delivered to the PA PUC commission on 3/10/2025

I respectfully request that the proposed cancellation of Inova Energy LLC's license be withdrawn, as the required reports have now been submitted.

Please do not hesitate to contact me if any further information or clarification is needed.

Thank you for your time and attention to this matter.

Sincerely,
Eric Brunhammer
Owner, Inova Energy LLC
