Request for Information

- 1) To be clear, territories are written in a certain way. Please confirm the following is what is intended: “To transport, as a common carrier, by motor vehicle, persons in Paratransit Service, from points in the City and County of Philadelphia, to points in Pennsylvania, and return.” It is not necessary to name the destinations outside of the originating service area. Please confirm.
- 2) The responses to questions 5(a), 5(b), 5(c), 5(d) and 5(e) of the verified statements are insufficient. Title 52 Pa. Code § 29 provides detailed requirements. Please provide a system which incorporates code specific compliance requirements for reporting ~ you will need to read Title 52 to specifically answer these questions. Each of your answers to sections of this question were insufficient:
 - § 29.503. Age restrictions.
 - § 29.504. Driver history
 - § 29.505. Criminal history.

Furthermore, please be aware that all PUC certificated revenue is subject to annual reporting and billing.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because you have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.
