RE: **Docket No. A-2022-3034261**

Closure Letter with Finalized Cost Information for Letter of Notification 130-36 of PECO Energy Company for Approval to Remove and Replace Seventeen Wood Transmission Structures in Havertown, Haverford Township, Delaware County, Pennsylvania

Dear Secretary Chiavetta:

On September 15, 2022, the Commission issued an Order approving the above-captioned Letter of Notification related to the replacement of seventeen wood transmission structures located along the 130-36 138kV transmission line in Haverford Township, Delaware County, Pennsylvania. In Ordering Paragraph 3, the Commission ordered, “[t]hat upon completion of the subject project, PECO Energy Company shall submit the final project cost to the Commission.”

As set forth in the accompanying affidavit of Drew Davis, the work is now complete and PECO hereby submits the required cost information. Should you have any questions concerning this matter, please feel free to contact me at the email address or telephone number provided above.

Respectfully submitted,

/s/ Dawn Kurtz Crompton

AFFIDAVIT

I, Drew T. Davis, being first duly sworn, deposes and states that, together with his attorney, he prepared the following statements and that the statements contained therein are true and correct, to the best of his knowledge, information, and belief:

1. I, Drew T. Davis, am employed by PECO Energy Company (“PECO” or “the Company”) as Vice President of Transmission and Substations. My business address is PECO Energy Company, 2301 Market Street, Philadelphia, PA, 19103.
2. In its August 4, 2022 Letter of Notification (“LON”) filing (assigned Docket No. A-2022-3034261), PECO initially estimated the project costs to be \$6.78 million.
3. On October 10, 2022, PECO notified the Commission that due to supply chain issues and permitting delays, the completion of the 130-36 LON line would be delayed.
4. The in-service date for the project was October 23, 2023.
5. The project work was completed at an actual cost of \$9,116,051.

Drew T. Davis
Vice President of
Transmission and Substations
