MCRT License

This MCRT License may be carried via paper or electronic format.

As a reminder, when stopped by law enforcement, electronic credentials may be shown as an image on a computer, tablet or smart phone. If an individual voluntarily chooses to prove credentials by presenting the traffic officer, or other government employee, with an electronic device, the officer or official may need to temporarily take possession of the device to verify the validity of the credential. The individual also waives all claims for any damage caused to the electronic device, or believed to be caused, by the traffic officer, or other government employee.

The electronic image must be accurate, accessible and readable. The department suggests the image be stored on an electronic device in each vehicle to ensure access to documentation while in areas of no service or Wi-Fi. If you are unable to provide proof of credentials, you may be cited and required to present proof of registration in a court of law. As mentioned above, accounts may also choose to carry paper versions of these credentials. Only one license is issued for the decal number(s) listed below, therefore a legible copy must be in each qualifying vehicle. For questions, please contact us at ra-pamotorfuelinfo.pa.gov.

Filing requirements

Motor Carrier Road Tax (MCRT) taxpayers are required to maintain records of miles traveled in Pennsylvania from July 1 through June 30 (including miles traveled on the PA Turnpike) and fuel purchases by vehicle. They are also required to report each to the department upon renewing the annual licenses. Failure to report this information will delay the issuance of decals.

MCRT renewals and additional decal requests can be filed electronically through the department's online *myPATH* platform. To register and use *myPATH*, visit mypath.pa.gov. A returned payment fee of 10% of the face value of the payment (not to exceed \$100, nor be less than \$25) will be imposed on all returned payments.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 33-2328410. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.
