RE: M&R Energy Resources Corp.
 Application to Serve as a Natural Gas Broker

Dear Ms. Cobuzzi,

Based on your assertion that M&R Energy Resources Corp. ("M&R Energy") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that M&R Energy will not need to post security with UGIU. This is based on the declaration that M&R Energy will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If M&R Energy wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Re: Bonding Requirements

Dear Melissa A. Cobuzzi:

PECO is aware that M&R Energy Resources Corporation, has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application M&R Energy Resources Corporation, could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. M&R Energy Resources Corporation has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers; will not take title to any delivered natural gas; nor will accept any customer payments or deposits.

Therefore, PECO has determined at this time that M&R Energy Resources Corporation does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by M&R Energy Resources Corporation, or the creditworthiness requirement for PECO's exposure to M&R Energy Resources Corporation changes in the future, PECO reserves the right to require M&R Energy Resources Corporation to provide a bond or other financial security instrument. If you should have any questions regarding this matter, please contact Wanda Rucker at Wanda.Rucker@exeloncorp.com.

Respectfully submitted,

Dear Melissa Cobuzzi:

We are pleased that M&R Energy Resources Corp. has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, M&R Energy Resources Corp. could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. M&R Energy Resources Corp. has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that M&R Energy Resources Corp. does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to M&R Energy Resources Corp. changes in the future, Columbia Gas might deem it appropriate to require M&R Energy Resources Corp. to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Attn: Melissa A. Cobuzzi, President

Dear Melissa,

National Fuel Gas Distribution Corporation ("NFGDC") is aware M&R Energy Resources Corp. ("MRE") has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, MRE must furnish acceptable security to each utility where MRE will do business. As such, under its tariff, NFGDC could require MRE to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that MRE intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, MRE will never take title to any delivered natural gas, nor will it accept any customer payments or deposits.

Based upon your representations, NFGDC has determined that, at this time, MRE does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by MRE change in the future, NFGDC reserves the right to require security from MRE as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,
