Re: Competitive Local Exchange Carrier Tariff Filing for Baltimore-Washington Telephone Company Tariff No. 1

Dear Mr. Dean:

You are receiving this letter because repeated email requests to the party filing this Tariff have yet to yield the required deficiency corrections.

The above-referenced Tariff of Baltimore-Washington Telephone Company (Company) was found to contain multiple deficiencies as noted in the attached enclosure. **Pursuant to 52 Pa. Code § 1.4, you are being advised of these deficiencies and are required to file corrections. Failure to do so within twenty (20) days of the date of this letter will result in a referral to the Commission's enforcement staff for further action, which may include a fine, and/or cancellation of provisional authority.** The Company must efile or submit an original copy of the corrected tariff to the Commission. Additionally, a copy of this filing must be served upon the Office of Consumer Advocate, Office of Small Business Advocate, and Office of Attorney General.

If you need further assistance or have any questions in this matter, please contact Ryan Kravitz, Telco Section, Bureau of Technical Utility Services at (717) 783-5941 or rykravitz@pa.gov.
