RE: Notification of Material Change for:
Midwest Energy, Inc. Docket A-2020-3015582
Premier Power Solutions, LLC, Docket A-110170 and Docket A-2014-2423312
Usource, LLC, Docket A-2019-3013171 and Docket A-2019-3013191

Dear Ms. Chiavetta,

In the above referenced dockets, the Pennsylvania Public Utilities Commission granted Midwest Energy, Inc. ("Midwest,"), Premier Power Solutions, LLC ("Premier") and Usource, LLC ("Usource") authority as an NGS and EGS Brokers. Midwest, Premier, and Usource file this notice of material change. These companies have the same ultimate parent, NextEra Energy, Inc., and this notice is of a restructuring. Effective March 1, 2025, Midwest and Premier were merged into Usource, leaving Usource as the surviving entity. The affected customers have been notified. In the case where a broker was registered with a utility, those utilities have been notified. Other utility notices were not sent because these broker companies are not registered with the utility. The customers' power supply through the utility system by their retail supplier will not be impacted by this change.

Attached are the merger documents from the state of Delaware. Please let us know if you need any further details or clarification.
