GRANTING A CONTINUANCE PENDING FINAL SETTLEMENT**

On August 21, 2024, Joe Yarzebinski (Complainant) filed a formal complaint against Peoples Natural Gas Company LLC (Peoples). Checking the “other” box on the complaint form, Complainant alleges that Peoples killed a 50-year-old maple tree on his property when Peoples replaced a gas main through his front yard.

A hearing was convened on April 16, 2025. The parties engaged in productive settlement discussions. However, they requested a brief continuance in order to execute the settlement terms.

THEREFORE,

IT IS ORDERED:

1. That on or before **June 16, 2025**, counsel for Peoples shall file a Joint Status Report which provides an updated regarding the status of the execution of the settlement terms.
