Re: Application of *N2G Medical Transportation LLC* for Paratransit authority, 621 W Cheltenham Avenue, Apt 1, Philadelphia, Philadelphia County, PA 19144.

To whom it may concern:

The purpose of this Letter is to advise you that your application for Paratransit authority at Docket No. A-2025-3053246 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience shall not be granted for the following reason(s):

- **Failure to File Required Information.** On March 18, 2025, you were required to file an answer to our data request by April 1, 2025. To date, more than 30 days later, you have not filed this updated information with the Commission.
- **Failure to establish fitness.** On March 18, 2025, the Commission sent you a letter requesting that you to submit your verified statements, and a dated balance sheet; which contained information less than six months old. To date, more than 30 days later, you have failed to comply.
- **The record demonstrates that the applicant does not have sufficient capital necessary to serve the territory requested.** It is the responsibility of the applicant seeking motor common carrier authority to demonstrate that it possesses the financial ability to provide the proposed service. As per 52 Pa. Code §41.14, applications may be denied if the applicant fails to satisfy fitness standards.

For this reason(s), your application is **DENIED** and **DISMISSED**.
