RE: Agway Energy Services LLC's license update

Dear Ms. Mills:

The Pennsylvania Public Utility Commission (Commission) staff recently conducted an internal review of Agway Energy Services LLC's Commission issued Natural Gas Supplier (NGS) license. The review revealed an inconsistency regarding services areas on your license. As a result, the Commission is issuing a revised NGS license to correct this inconsistency and clearly identify the licensees' operations, customer classes, and service areas.

Please note, the Commission is only correcting the language on the license, not altering the approved authorities related to the operations, customer classes, and service areas.

**The Secretary's Bureau will issue a new license to Agway Energy Services LLC to begin to offer, render, furnish or supply natural gas services as a supplier to residential, small commercial (under 6,000 MCF annually), and large commercial (6,000 MCF or more annually) customers in the natural gas distribution company service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, PECO Energy Company, Peoples Natural Gas Company, LLC – Peoples Natural Gas Division, Peoples Natural Gas Company, LLC – Peoples Gas Division, Philadelphia Gas Works, and UGI Utilities, Inc within the Commonwealth of Pennsylvania**

Please direct any questions or concerns to Jeremy Haring, Bureau of Technical Utility Services, at [jharing@pa.gov](mailto:jharing@pa.gov) (preferred) or (717) 783-6175.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'.
