Subject: **2024 Act 127 Registration Clarifications-  
Emkey Gathering, LLC Docket No. A-2012-2293766**

Dear Ms. Chiavetta:

This letter is in response to a letter received via email on April 11, 2025 seeking clarification on Emkey Gathering's attachment B to its 2024 registration for renewal of the Act 127 Pennsylvania Pipeline Operator Annual Registration in the Commonwealth of Pennsylvania.

Explanations for additions, deletions, or variations that should have been included under Section 12 of the 2024 registration are as follows:

- Mileage was reported in Columbia County instead of Crawford County in error for the 2023 registration. That error has been corrected for this 2024 registration by removal of reported mileage in Columbia County.
- Previous classification of Emkey's pipeline segments for Type R and Type C had been done in error based on a misinterpretation of the 2022 PHMSA rule. This error was corrected for the 2024 registration.
- During evaluation of the Type R/Type C categorization it was discovered that pipeline segments had not been properly split into the counties they were physically located in. The entirety of the segments had just been allocated to one county. That error was also corrected for the 2024 registration.

There have been no actual physical additions or deletions of facilities from Emkey Gathering's inventory. All changes were clerical in nature. I sincerely apologize for these prior errors in reporting.

I, Kyle Rhoades, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. §4904 (relating to unsworn falsification to authorities).
