RE: Electric Generation Supplier License Application

Dear Mr. Rodriguez:

On March 1, 2025, the Pennsylvania Public Utility Commission (Commission) received Orlando Rodriguez-Polanco d/b/a Clever Energy Management's Application for an Electric Generation Supplier (EGS) license. On March 26, 2025, the Commission notified Orlando Rodriguez-Polanco d/b/a Clever Energy Management through a Secretarial Letter that its EGS license Application was not properly completed and contained deficiencies that must be corrected and submitted within 20 days. The Secretarial Letter stated that failure to timely respond would result in the Application being deemed rejected<sup>1</sup> and the docket closed. To date, a corrected and complete Application has not been received by the Commission's Secretary's Bureau.

Given Orlando Rodriguez-Polanco d/b/a Clever Energy Management's failure to correct the deficiencies and provide a complete EGS license Application, the Commission deems Orlando Rodriguez-Polanco d/b/a Clever Energy Management's EGS license Application unacceptable and therefore it is rejected without prejudice. The Application fee is a processing fee and NOT refundable.

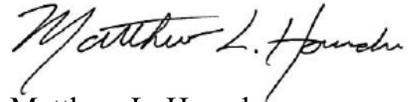

Please be advised that if Orlando Rodriguez-Polanco d/b/a Clever Energy Management were to resubmit an Application for an EGS license, it must file a complete EGS license Application and submit a filing fee of \$350.
