Re: FirstEnergy Pennsylvania Electric Company Tariff Electric Pa. P.U.C. No. 1 – Time-of-Use  
Default Service Rider Changes in Compliance with FirstEnergy Pennsylvania Electric  
Company’s Default Service Plan

Dear Ms. Savage:

On April 22, 2025, FirstEnergy Pennsylvania Electric Company (the Company) filed Supplement No. 20 to Electric Pa. P.U.C. No. 1 to become effective on June 1, 2025. The supplement was filed to reflect updated Time-of-Use (TOU) multipliers for the Residential and Commercial customer classes per a settlement commitment to review the TOU rate multipliers every two years, and to update the multipliers if at least one calculation results in a 15% or larger change in any direction.<sup>1</sup> As support for the rate changes, the Company filed a summary of the new TOU multipliers, as well as supporting details for the Residential and Commercial TOU multipliers.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 20 to Electric Pa. P.U.C. No. 1 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or [maboyle@pa.gov](mailto:maboyle@pa.gov).

Sincerely,

Matthew L. Homsher  
Secretary
