For example, an applicant that wants to operate in Peoples Natural Gas - Peoples Natural Gas Division would need to run ads in The Erie Times-News, the Pittsburgh Post-Gazette, and the Johnstown Tribune-Democrat. If the applicant is proposing to serve the entire Commonwealth, please file proof of publication in all seven newspapers.

The only acceptable verification of this requirement is with Notarized Proofs of Publication, which may be requested from each newspaper and **must be supplied to the Commission before the applicant is licensed.**

RE: Ziip Energy Solutions LLC
Application to Serve as a Natural Gas Broker

Dear Mr. Heinly,

Based on your assertion that Ziip Energy Solutions LLC is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Ziip Energy Solutions LLC will not need to post security with UGIU. This is based on the declaration that Ziip Energy Solutions LLC will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Ziip Energy Solutions LLC wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,

Sherry Epler
