Request for Information

- 1.) Please explain where your transportation clients are coming from. Will all transportation clients be arising through their existing/concurrent home healthcare services with your company, or will this transportation service also be available to the public at large who is not also receiving home health care services from Kindness Services LLC? (The requirements, oversight, and restrictions on transportation for non-home health care clients (the general public) are considerably higher than transportation services offered only to your existing/concurrent home health care clients.) Explain in detail.

Our transportation clients will be coming from existing and concurrent home healthcare services within our company with ODP.
