A-2023-3045014

TO ALL PARTIES OF RECORD

Application of Comcast Cable Communications Management LLC for approval to alter the public crossing (DOT 531 263 E) by the installation of four (4) aerial fiber optic wirelines where Pennswood Road crosses, above grade, four (4) tracks of National Railroad Passenger Corporation (AMTRAK) located in Lower Merion Township, Montgomery County.

To Whom It May Concern:

By application filed with the Commission on December 18, 2023 and revised application filed with the Commission on April 4, 2025, Comcast Cable Communications Management LLC seeks Commission approval to alter the public crossing (DOT 531 263 E) by installation of four (4) aerial fiber optic wirelines where Pennswood Road crosses, above grade, four (4) tracks of National Railroad Passenger Corporation (AMTRAK) located in Lower Merion Township, Montgomery County.

Comcast Cable Communications Management LLC will install four (4) aerial fiber optic wirelines attached to existing joint use poles. The installation will provide a vertical clearance in excess of the Commission's required minimum of 22-feet above the top of rail.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Comcast Cable Communications Management LLC, states that the proposed installation is necessary to boost and extend its service in the immediate and surrounding area. Comcast Cable Communications Management LLC will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$1,000.00.

Comcast Cable Communications Management LLC has served a copy of the original application and plans on the Pennsylvania Department of Transportation, Montgomery County Planning Commission, Lower Merion Township, Bryn Mawr, National Railroad Passenger Corporation and PECO Energy Company. All parties in interest were queried by letter dated January 3, 2024, sent by electronic mail as to any objection to the original subject application and plans. By electronic mail dated January 11, 2024, National Railroad Passenger Corporation (AMTRAK) provided the applicant with a list of revisions it sought for the plans.

On April 4, 2025, Comcast Cable Communications Management served a copy of its revised application and plans on all the parties in interest. None of the parties have filed an objection to the subject revised application or plans.

All work is to be performed in accordance with the plans entitled: "EXHIBIT A," consisting of five (5) sheets submitted to the Commission with the revised application.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience or safety of the public.

The application of Comcast Cable Communications Management LLC is approved as herein directed:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The public crossing (DOT 531 263 E) where Pennswood Road crosses, above grade, four (4) tracks of National Railroad Passenger Corporation (AMTRAK) in Lower Merion Township, Montgomery County be altered generally in accordance with the revised installation plans entitled: "EXHIBIT A" consisting of five (5) sheets provided to the Commission on April 4, 2025; which plans are made part hereof and is hereby approved except insofar as it may relate to the division of work, deletion of work, or the allocation of costs and expenses incident to the installation of the project.
3. Comcast Cable Communications Management LLC, at its sole cost and expense, furnish all material and perform all work necessary to alter the crossing by the installation of four (4) aerial fiber optic wirelines within the right-of-way of the highway where Pennswood Road crosses, above grade, four (4) tracks of National Railroad Passenger Corporation (AMTRAK), all in accordance with the approved plans and this Secretarial Letter.

4. Comcast Cable Communications Management LLC, at its sole cost and expense, furnish all material and perform all work necessary to establish and maintain any detours or traffic controls that may be required to properly and safely accommodate highway and pedestrian traffic during the time the crossing is being altered.

5. Any relocation of, changes in and/or removal of any adjacent structures, equipment or other facilities of any non-carrier public utility, other than Comcast Cable Communications Management LLC, which may be required as incidental to the alteration of the crossing, be made by said public utility at its initial cost, and in such a manner as will not interfere with the alteration of the crossing; and such relocated or altered facilities thereafter be maintained by said public utility, at its sole cost and expense.

6. National Railroad Passenger Corporation (AMTRAK), at the sole cost and expense of Comcast Cable Communications Management LLC, furnish all material and perform all work relating to its facilities which may be required as incidental to the performance of the proposed work and furnish any watchmen, flagmen, inspectors and/or engineering services that may be deemed necessary to protect the railroad's operations or facilities during the time the facilities are being installed.

7. Comcast Cable Communications Management LLC, at its sole cost and expense, furnish all material and perform all work necessary to complete the remainder of the project, and any other ancillary features of the project, generally in accordance with the approved plans and this Secretarial Letter.

8. The alteration of the crossing be completed on or before May 31, 2026, and that on or before said date Comcast Cable Communications Management LLC, report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plans and this Secretarial Letter.

9. Comcast Cable Communications Management LLC, at its sole cost and expense, pay all compensation for damages, if any, due to owners of property taken, injured or destroyed by reason of the alteration of the crossing in accordance with this Secretarial Letter.

10. All parties involved herein cooperate fully with each other so that during the time the work is being performed, vehicular, pedestrian and railroad traffic will not be endangered or unnecessarily inconvenienced, and so that the requirements of each of the parties will be provided for and accommodated insofar as possible.

11. Comcast Cable Communications Management LLC cooperate with the non-carrier utilities involved, so that during the alteration of the involved crossing, the facilities of the non-carrier utilities will not be endangered or unnecessarily interrupted.

12. Comcast Cable Communications Management LLC, at least seven (7) days prior to the start of work, notify all parties in interest of the actual date on which work will begin.

13. Upon completion of the alteration of the crossing, Comcast Cable Communications Management LLC, at its sole cost and expense, furnish all material and perform all work necessary thereafter to maintain their aerial communication wireline and any ancillary facilities installed in accordance with the approved plans and this Secretarial Letter.

14. Upon completion of the alteration of the crossing, National Railroad Passenger Corporation (AMTRAK), at its sole cost and expense, furnish all material and perform all work necessary to maintain its railroad facilities at the subject crossing in a safe and satisfactory condition, all in accordance with this Secretarial Letter, and provide Lower Merion Township at least ten (10) business days advance notice when performing any work that may affect their facilities, as directed by this paragraph.

15. Upon completion of the alteration of the crossing, Lower Merion Township, at its sole cost and expense, furnish all material and do all work necessary thereafter to maintain its highway facilities at the subject crossing in a safe and satisfactory condition, all in accordance with this Secretarial Letter, and provide National Railroad Passenger Corporation (AMTRAK) at least ten (10) business days advance notice when performing any work that may affect their facilities, as directed by this paragraph.

16. Upon completion of the work herein directed, and upon written request from any party of record, this proceeding be scheduled for a hearing at a time and place to be determined by the Commission, for the purpose of taking testimony upon the final allocation of any remaining costs incurred by the non-carrier utility companies and other matters relevant to this proceeding.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
