**Re: PECO Energy Company's 2019-2018 Universal Service and Energy
and Conservation Plan – Information Letter, Docket No. M-2018-3005795**

Dear Secretary Homsher:

In accordance with a request from the Commission's Bureau of Consumer Services, PECO Energy Company ("PECO" or the "Company") is hereby providing an informational letter listing its CAP Maximum Credit amounts. Per the Commission-approved Universal Service and Energy Conservation Plan ("USECP"), if PECO is granted an electric base rate increase, Annual CAP Maximum Credit amounts for Electric Heating and Electric Non-Heating customers are increased by a percentage equal to the system-wide residential distribution rate increase. *See* PECO USECP, p. 5, fns. 4 and 5.

To that end, below please find the Annual CAP Maximum Credits that have been in place since the effective date of PECO's most recent electric base rate case, January 1, 2025:

Annual Maximum Credit Amounts

FPL	Electric Non-Heating (Rate R)	Electric Heating (Rate RH)	Gas
0-50%	\$3,016	\$4,284	No maximum
51-100%	\$2,125	\$2,845	No maximum
101-150%	\$1,925	\$2,541	No maximum

If you have any questions, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read 'C. Choi', with a stylized flourish at the end.

Caroline S. Choi
