Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
Commonwealth Keystone Building
400 North Street

Request for Information

- 1) The responses to questions 5(a), 5(b), 5(c), 5(d) and 5(e) of the verified statements are insufficient. Title 52 Pa. Code § 29 provides detailed requirements. Please provide a system which incorporates code specific compliance requirements. The time frames required for the checks vary and must be clearly stated. Each of your answers to sections of this question were insufficient:
 - § 29.503. Age restrictions.
 - § 29.504. Driver history
 - § 29.505. Criminal history.

Furthermore, please be aware that all PUC certificated revenue is subject to annual reporting and billing.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because you have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.

- 2) It is concerning that the company has just \$10,000 dedicated to it with no vehicle. To be clear, certification does not take place without a vehicle and insurance in place. Once the application moves past the protest period, and your company receives a compliance letter, you then have only 60 days to meet compliance. Please explain how you intend to move forward.
