To Parties Of Record:

RE: Patricia Maransky, Complainant v. PECO Energy Company, Respondent
Docket No.: C-2025-3054841

On May 6, 2025, Commissioner Coleman's Staff received an unsolicited voicemail from the Complainant regarding her formal complaint against PECO Energy Company currently pending at the above captioned docket number. Commissioner Coleman's staff did not respond to the voicemail.

The May 6, 2025 voicemail is an off-the-record communication to a member of the Commission and/or an employee of the Commission, regarding the merits or facts in issue of a matter pending before the Commission in a contested on-the-record proceeding, and therefore it is an ex parte communication prohibited under 66 Pa.C.S. § 334(c) of the Pennsylvania Public Utility Code.

The transcription of the voicemail, along with this Secretarial Letter curing the ex parte communication, will be placed upon the record of the docket.

Finally, the Complainant is directed not to engage in any further ex parte communications to the Commission while her complaint case is still pending before the Commission for a final decision.

Sincerely,

Matthew L. Homsher
Secretary of the Commission
