Hi, my name is Patty Maransky. I was calling in regard to a complaint that several members of our neighborhood have submitted to the PUC. Somewhat urgent because construction is going on right now and Pico is placing boxes well into our front yards, 7-8 to 10 feet into our front yards, not at all near the property line. They're saying that they can put them wherever they want, but it seems pretty egregious in terms of placement and definitely detracting from my home value. So I was hopeful that Mister Coleman could assist us in working with PICO to find a more acceptable placement of these boxes, whether it be on the property line or on a side yard rather than the front yard. So thank you so much again. Thank you.
