Dear Johanna Salamone:

We are pleased that Jamp Management Inc. has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Jamp Management Inc. could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Jamp Management Inc. has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Jamp Management Inc. does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Jamp Management Inc. changes in the future, Columbia Gas might deem it appropriate to require Jamp Management Inc. to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

*Kylia Davis*

Dear Ms. Salamone:

We are pleased that Renewable Strategy Partners Inc. has applied for a license to provide natural gas services on Peoples Natural Gas Company LLC.

Since Renewable Strategy Partners Inc. is not currently serving customers on the Peoples systems, we have determined at this time that Renewable Strategy Partners Inc. does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to Renewable Strategy Partners Inc. provision of services on the Peoples' system changes in the future, the Company may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6931 or by email at [Carol.Scanlon@peoples-gas.com](mailto:Carol.Scanlon@peoples-gas.com).

Sincerely,

RE: Security Requirement Bond for **Renewable Strategy Partners Inc. (Jamp Management Inc.)**

Dear Ms.Salamone:

Philadelphia Gas Works ("PGW") is aware that **Renewable Strategy Partners Inc. (Jamp Management Inc.)** has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, **Renewable Strategy Partners Inc. (Jamp Management Inc.)** must furnish acceptable security to each utility where **Renewable Strategy Partners Inc. (Jamp Management Inc.)** will do business. As such, under its tariff, Philadelphia Gas Works could require **Renewable Strategy Partners Inc. (Jamp Management Inc.)** to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that **Renewable Strategy Partners Inc. (Jamp Management Inc.)** intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services **Renewable Strategy Partners Inc. (Jamp Management Inc.)** will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, **Renewable Strategy Partners Inc. (Jamp Management Inc.)** does not need to post a bond or other form of security to operate in its service territory. If the services provided by **Renewable Strategy Partners Inc. (Jamp Management Inc.)** should change, Philadelphia Gas Works reserves the right to require security from **Renewable Strategy Partners Inc. (Jamp Management Inc.)** as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6726.

Sincerely,

*Robert Smith*
