Request for Information

Financial Position

- A.) The bank statement's ending balance and the balance sheet's cash asset amount contradict. Please explain the contradiction and correct the balance sheet to match an improved bank statement.
- B.) Based on the bank statement ending balance of \$1,631.49, Execudriver LLC lacks the financial position to gain a Certificate of Public Convenience. The applicant will be given one last opportunity to provide evidence that it is financially able to provide its proposed service. To show improved financial fitness you should have a substantial ending balance amount to cover any unforeseen costs, such as vehicle maintenance, insurance coverage, or possible fines.
- At this point it is expected that the applicant's account is filled and ready to commence operations with the ability to provide safe, efficient, and reliable service. It is the responsibility of the applicant seeking motor common carrier authority to demonstrate that it possesses the financial ability to provide the proposed service. As per 52 Pa. Code §41.14, applications may be denied if the applicant fails to satisfy fitness standards. If you are unsure of how to improve your financial position consult with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.

Note: You are now expected to be familiar with Title 52 with all relevant chapters.
