A-2025-3054892

TO ALL PARTIES OF RECORD

Application of PPL Electric Utilities for approval of the alteration of the crossing # 266010S by the replacement of two utility pole structures where Hayes Street crosses at grade the tracks of North Shore Railroad, located in the Borough of Briar Creek in Columbia County.

To Whom It May Concern:

By application filed with the Commission on April 30, 2025, PPL Electric Utilities Corporation seeks Commission approval to alter the crossing (DOT 266 010 S) by replacement of the existing utility poles and transfer of the aerial wirelines. Upon review of the application by a Commission staff engineer, it was noted the work lies outside the limits of the Commission's jurisdiction because the crossing is a private highway-railway crossing on a private roadway; therefore, the Commission shall dismiss the application. All parties of interest are hereby notified of this dismissal.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that:

1. The application filed on April 30, 2025, be dismissed for lack of jurisdiction.
2. The case be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail. Parties are encouraged to file formal documents by eFiling with the Secretary of the Commission by opening an eFiling account through the Commission's website (the account is free of charge) and accepting eService at <https://www.puc.pa.gov/filing-resources/efiling/>.
