RE: Bond Verification Certificate
TES Energy Services LP
A-2010-2207746

Dear Ms. Graham:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of TES Energy Services LP because it is a duplicate filing, therefore not required.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

We have on file an Original Bond Verification Certificate (received on September 6, 2024 signed, sealed and dated on September 10, 2024). We have a continuous bond on file for TES Energy Services LP, no further action is required at this time.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
