Enclosures

Parties of Record

4. The Complainant is authorized and directed by the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50, to represent the interests of small business consumers of utility services in matters before the Pennsylvania Public Utility Commission (“Commission”).

5. This Complaint is filed against the rates, terms, and other provisions of Supplement No. 162 to Tariff Electric Pa. P.U.C. No. 8 ("Supplement No. 162"), which was filed with the Commission on April 30, 2025, by Wellsboro Electric Company (“Wellsboro” or the “Company”). The rates set forth the Company’s April 30th filing, if approved by the Commission, would increase Wellsboro’s annual revenues by \$2.9 million, or by 22%.

6. As set forth in Supplement No. 162, the bill for a commercial customer purchasing electricity from Wellsboro on Service Schedule No. 4 with a 10 kW demand using approximately 3,650 kWh per month would increase by \$66.15 per month, from \$648.56 to \$714.71. This is approximately a 10% increase.

7. As set forth in Supplement No. 162, the bill for a larger customer on Service Schedule No. 5 with a billing demand of 150 kW using approximately 54,750 kWh per month would increase by \$839.91 per month, from \$9,052.25 to \$9,892.16. This is approximately a 9.3% increase.

8. After preliminary review of the materials filed by the Company in support of the proposed Tariffs, Complainant believes, and therefore avers, that those materials may be insufficient to justify the rate increase requested and that the Company’s present and proposed rates, rules, and conditions of service may be unjust, unreasonable, unduly discriminatory, and otherwise contrary to law, particularly as they pertain to Wellsboro’s small business customers.

9. Complainant believes, and therefore avers, that Wellsboro's proposed tariff changes, proposed rates, rate design, and revenue allocation are or may be unjust, unreasonable, and unlawfully discriminatory in violation of, *inter alia*, Sections 1301 and 1304 of the Public Utility Code, 66 Pa. C.S. §§1301 and 1304, and, furthermore, are contrary to appropriate public policy, sound ratemaking considerations, and may not be supported by the materials filed by the Company.

10. In view of the foregoing, the Small Business Advocate respectfully requests that the Pennsylvania Public Utility Commission:

- A. Suspend and investigate the operation of Supplement No. 162;
- B. At the conclusion of such investigation, reject the proposed new rates and other tariff changes to the extent required to make certain that Wellsboro's rates are lawful, just, reasonable, and not unduly discriminatory to small business customers; and
- C. Grant such other relief as may be necessary or appropriate.

Respectfully submitted,

/s/ Rebecca Lyttle

**PUBLIC STATEMENT OF
THE OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (“Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by her initiation of or intervention in any proceeding involving those interests before the Public Utility Commission (“Commission”) or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a complaint against the proposed tariff filing of Wellsboro Electric Company (“Wellsboro” or the “Company”), which would increase the annual operating revenue of Wellsboro by \$2.9 million per year, or by 22%.

The Small Business Advocate files this formal complaint against the Company’s proposed tariff filing to protect the interests of Wellsboro’s small business customers. A thorough inquiry by the Commission into all elements of the Company’s proposed tariff filing is

necessary to ensure that the tariff filing is lawful, just, reasonable, and not discriminatory against Wellsboro's small business customers.

In view of the foregoing, the Small Business Advocate will participate in proceedings before the Public Utility Commission to investigate the reasonableness of the proposed tariff filing. The Small Business Advocate will ask the Commission to deny any proposed new rates and other tariff changes that apply to small business customers that are not proven by Wellsboro to be lawful, just, reasonable, and not discriminatory against the Company's small business customers.
